Rinnai Boiler Limited Warranty

What is covered?

This warranty covers any defects in materials or workmanship when the product is installed and operated according to Rinnai written installation instructions, subject to the terms within this Limited Warranty document. Improper installation may void this Warranty. Rinnai strongly suggests that you use a state qualified or licensed contractor who has attended a Rinnai Installation class for the installation of the product. This warranty is subject to the conditions that the Rinnai boiler has been installed and proper maintenance has been performed, according to the Installation & Servicing Instructions, by a professional heating contractor. Proof of the required service and maintenance must be kept in the provided Rinnai Installation, Commissioning and Service Record. The Rinnai Boiler heat exchanger shall remain free of leaks for the duration of the warranty provided the conditions set forth in this warranty have been met. This Warranty only extends through the first installation of the product and terminates if the product is moved or reinstalled at a new location.

What will Rinnai do?

Rinnai will repair or replace the covered product or any part or component that is defective in materials or workmanship as set forth as follows. Rinnai will pay reasonable labor charges associated with the repair or replacement of any such part or component. All repair parts must be genuine Rinnai parts. All repairs or replacements must be performed by an individual or servicing company that is properly trained, state qualified or licensed to do the type of repair. Replacement of the product may be authorized by Rinnai only. Rinnai does not authorize any person or company to assume for it any obligation or liability in connection with the replacement of the product. If Rinnai determines that repair of a product is not possible, Rinnai will replace the product with a comparable product, at Rinnai's discretion. If a component or product returned to Rinnai is found to be free of defects in materials or workmanship, or damaged by improper installation or damaged during return shipping, the warranty claim for product, parts or labor may be denied.

How do I get service?
